To: Hopkins Academy graduates of the past two years as part of the Special Education program

Hello, Former Students,

I hope you are well and are finding your new independence both rewarding and challenging.

We still think of you often at Hopkins Academy and are taking this survey that the state of Massachusetts asks us to complete as a good opportunity to touch base with you in your new life.

You will find a single page survey attached for you to fill out to the best of your ability and return to us via email, msteinbeck@hadleyschools.org, or mail to 21 River Drive Hadley MA. If you prefer, you can call the Office of Student Services at 413-584-2419 and ask for Melissa Steinbeck. She can take the information from you over the phone. If we do not hear from you soon, we will be reaching out to contact you by phone, as well. We are required to try three times to gather your current information and hope that we can reach you easily.

If you need a parent to assist you with returning this information, that is acceptable, as well.

We look forward to hearing from you soon.

Best Wishes,

Patricia Bell
