

STUDENT GIFTS AND SOLICITATIONS

Because of the embarrassment that might result among children, students will be discouraged from giving gifts to classroom teachers and other school personnel. For the same reason, there will be no formal exchange of gifts between students in the classroom.

The acceptance of gifts worth \$50 or more by school personnel in a calendar year when the gift is given because of the position they hold, or because of some action the recipient could take or has taken in his or her public role, violates the conflict of interest law. Acceptance of gifts worth less than \$50, while not prohibited by the conflict of interest law, will require a written public disclosure to be made.

Solicitation of funds for charitable purposes from students of the school system will be made only as approved by the School Committee.

Any organization desiring to distribute flyers or other materials to students in connection with fund drives may do so only with the approval of the Superintendent.
