

## **STUDENT POLICIES GOALS**

The student is the top priority and focal point of all operations of the Hadley Public Schools.

Consequently the School Committee can expect to spend much of its time in study, deliberation, and policy formulation on matters directly related to students.

The School Committee and staff will work together to establish an environment conducive to the very best learning achievements for each student through meeting the following goals regarding students:

1. To individualize the learning program in order to provide appropriately for each student according to his/her specific background, capabilities, learning styles, interests, and aspirations.
2. To protect and observe the legal rights of students.
3. To enhance the self-image of each student by helping him/her feel respected and worthy through a learning environment that provides positive encouragement through frequent success.
4. To provide an environment in which students can learn personal and civic responsibility for their actions through meaningful experiences as school citizens.
5. To deal with students in matters of discipline in a just and constructive manner.
6. To provide for the safety, health, and welfare of students.
7. To promote faithful attendance and good work.
