

APPLICATION FOR SCHOOL PARKING LOT ACCESS

I, _____, hereby agree to the below stated terms and responsibilities in connection with obtaining authorization to use the school parking facilities.

I understand that the parking lot is public property that is under the control of the school. I will put my parking sticker on the left side of the back window (driver's side). I agree that the authorized vehicle will not be used to transport or store contraband of any kind or use the lot in any way that will violate the school district code of conduct or criminal law. The following rules must be followed in order to maintain this parking privilege:

- Students are not allowed to go to their vehicle once school has started without permission from the administration.
- Students must drive safely and slowly on school property. The speed limit is 10 m.p.h. Speed and/or dangerous driving on school grounds will result in the automatic suspension of parking privileges.
- All school rules apply to students while they are in their vehicle on school property, i.e., no smoking in your vehicle while on school grounds.
- Students are allowed to park only in the area designated for student automobiles.
- All cars are subject to be searched when they are parked on school property.
- Cars not registered with the school may be towed at the owner's expense.
- Horseplay, burning rubber, etc., or any potentially life-endangering or property-damaging acts will result in permanent loss of automobile privileges as well as a written report to the Hadley Police Department.
- No vehicles of any kind (cars, snowmobiles, dirt bikes, etc.) are allowed on school playing fields.
- Cars are not allowed on school property unless they are legally registered and operated by a licensed driver.
- Passing buses: Under state law, it is illegal to pass a school bus, on either side, while loading or unloading even in the school parking lot.
- All operators and passengers are required to properly wear seat belts on school property.
