

## **FACILITIES DEVELOPMENT GOALS/TITLE IX**

### Facilities:

- (1) Every new school which is to be constructed and every addition to an existing school or program shall be designed or planned so as to ensure that the educational opportunities to be offered within that school following its construction, or expansion or reconstruction will be available equally to all students thereof without regard to the race, color, sex, religion, national origin, disability, sexual orientation, or gender identity of any such student.
- (2) Each school shall provide equal numbers of males and females facilities and conveniences within a school which are separated for reasons of privacy, e.g. showers, locker rooms, changing rooms, toilets and lavatories. Any school to be constructed shall make such provision and any plan for the expansion or modernization of an existing school shall include whatever provision is necessary in order to achieve compliance with 603 CMR 26:07.
