

Acceptable Use Policy - Technology

Purpose

The Hadley Public Schools shall provide access for employees and students to the system/network, including access to external networks. Educational purposes shall be defined as classroom activities, career and professional development, and high-quality self-discovery activities of an educational nature, and to assist in preparing students for success in life and work by providing access to a wide range of information and the ability to communicate with others. The system/network will be used to increase communication (staff, parent, and student), enhance productivity, and assist staff in upgrading existing skills and acquiring new skills through a broader exchange of information. The system/network will also be utilized to provide information to the community, including parents, governmental agencies, and businesses.

Availability

The superintendent or designee shall implement, monitor, and evaluate the District's system/network for instructional and administrative purposes. Access to the system/network, including external networks, shall be made available to employees and students for instructional and administrative purposes and in accordance with administrative regulations and procedures. Access to the system/network is a privilege, not a right. All users shall be required to acknowledge receipt and understanding of all administrative regulations and procedures governing use of the system and shall agree in writing to comply with such regulations and procedures. Non-compliance with applicable regulations and procedures may result in suspension or termination of user privileges and other disciplinary actions consistent with the policies of the Hadley Public Schools. Violations of law may result in criminal prosecution as well as disciplinary action by the Hadley Public Schools.

Acceptable Use

The superintendent or designee shall develop and implement administrative regulations, procedures, and user agreements, consistent with the purposes and mission of the Hadley Public Schools as well as with law and policy governing copyright.

Monitored Use

Electronic mail transmissions and other use of electronic resources by students and employees shall not be considered confidential and may be monitored at any time by designated staff to ensure appropriate use for instructional and administrative purposes.

Student Internet activities may be monitored by the school district to audit student use to identify those users accessing inappropriate sites that have visual depictions that include but are not limited to obscenity, child pornography or are harmful to minors. The school district will use technology protection measures to help protect students from inappropriate access. Inappropriate access will be reported to the superintendent or designee.

Liability

The Hadley Public Schools shall not be liable for users' inappropriate use of electronic resources or violations of copyright restrictions, users' mistakes or negligence, or costs incurred by users. The Hadley Public Schools shall not be responsible for ensuring the accuracy or usability of any information found on external networks.
