

## **TRESPASSING**

The School Committee desires to make school buildings and grounds available for constructive use by the community. We have set forth the following rules to help protect against vandalism to buildings and grounds:

1. Use of school property is limited to activities authorized by the building principal and/or Superintendent.
2. There will be a curfew on school property one-half hour after sunset until one-half hour before sunrise except for permitted use of lighted areas.
3. Unauthorized persons are not allowed on school property beyond the curfew except for approved school and/or community activities and under the direct supervision of an adult and/or member of the professional staff.
4. Mini-bikes, snowmobiles and anything other than ordinary motor-driven vehicles, except for maintenance and/or municipal vehicles, or as associated with Athletics, are prohibited from school grounds at all times.
5. Following the posting of the school areas, all persons found in violation of the posting and loitering shall be prosecuted to the full extent of the law.
