PARKING OF MOTOR VEHICLES ON SCHOOL PROPERTY

Only eligible students as determined by the administration of Hopkins Academy will be allowed to park their automobiles or motorcycles on school property when school is in session. All students who wish to drive to school must submit to the Main Office a copy of the Student Driving Form signed by the student and parent prior to driving to school. Students who fail to obtain permission prior to driving to school are subject to disciplinary action and subject to having their vehicle towed at the vehicle owner's expense. Driving to school is a privilege, holding with it the responsibility of following the school's driving regulations. Copies of the agreement and regulations are available in the Principal's Office.
