COMMUNITY INVOLVEMENT IN DECISION-MAKING

The School Committee endorses the concept that community participation in the affairs of the schools is essential if the Hadley Public Schools and the community are to maintain mutual confidence and respect and work together to improve the quality of education for students. It therefore intends to exert every effort to identify the desires of the community and to be responsive to those desires.

All citizens will be encouraged to express ideas and concerns about the schools to building Principals, the Superintendent or the School Committee.
