Brugger called the meeting to order at 5:00 pm

Present: Brugger, Fasihuddin, McKenzie

McKenzie presented policy JFBC Preferred Vocational School. Fasihuddin and Brugger discussed the importance of allowing students to have choices; however they recognized that if students attended several different vocational schools transportation costs could be prohibitive. Policy subcommittee members recognized that if students wanted to attend another vocational school and that school had school choice seats available, the student could attend under the school choice program. The policy subcommittee determined that they would present the policy to the entire committee at the regular meeting and recommend adoption.

Meeting adjourned at 5:20
